*In light of compliance regulations, we would like to inform you that, if necessary, you must obtain your employer’s permission and check local legislation regarding the content of the invitation.
Win a highly-valued scientific publication

ZEISS is giving away 5 copies of “Minimally Invasive Spine Surgery – Techniques, Evidence, and Controversies” by Dr. Roger Härtl and Dr. Andreas Korge.

How?
Just fill out the questionnaire with one of our sales representatives at ZEISS Booth #148 on 5 or 6 October 2016. Or go to www.zeiss.com/eurospine-draw and complete the contest questionnaire online from now until 6 October 2016.

When?
The drawing will take place at the ZEISS Booth #148 on Friday, 7 October 2016 at 11:30h.

The contest is organized by Carl Zeiss Meditec AG (“CZM”), Jena, Germany. All persons over the age of 18 are entitled to participate. Participation in the contest is independent of purchase. All decisions are final. Each participant may take part in the contest once only. Participation is possible by completing the contest questionnaire from 5 October until 6 October 2016, at EUROSPINE, Berlin, Germany or online at www.zeiss.com/eurospine-draw from now until 6 October 2016. Under all participants who fill out the questionnaire truthfully and completely, CZM raffles five spine publications. If the winner does not attend the drawing which will take place after the end of the competition, CZM will send the prize to the winner to the contact address provided by the winner on the participation form. Cash payment of the prize is precluded. Contest winning is non-transferable. CZM reserves the right to disqualify from the contest any person who attempts to gain advantages through manipulation. Data shall be treated as confidential and handled in accordance with the legal data protection regulations by CZM, its subsidiaries and all participating dealers, and shall be retained in conjunction with this contest.
