

IMPORTANT SERVICE NOTICE
Effective December 1, 2018

End of Support ATLAS 993 and ATLAS 995 instruments

We know how important it is to your planning to be able to anticipate changes to the serviceability status of your equipment. As such, ZEISS provides our customers with notice of any such change.

ATLAS 993 and ATLAS 995 systems will reach End of Support on December 1, 2018. End of Support means the end of the period where ZEISS can provide technical expertise, parts availability, and viable service delivery process to restore the product to original functionality. We will not be able to extend, renew or create any new service agreements on this device.

This letter is notification that all ZEISS service agreements for the ATLAS 993 and ATLAS 995 will be terminated as of December 1, 2018. ZEISS will issue credits to customers who may have prepaid service agreements extending beyond this effective date.

Thank you, for your continued support and confidence in our products. We value and appreciate the continued opportunity to support you in your medical equipment and service needs. We would like to invite you to contact your local sales or service representative to discuss details on equipment options and upgrades. If you have any questions regarding this announcement, you may reach us by calling at 800-341-6968.

Sincerely,

A handwritten signature in blue ink that reads "Mark Cowan".
