

Quick Guide

ZEISS Academy MED E-learning Portal

Here is a quick guide on how to access our e-learning portal, where you will find an evergrowing number of online training offers. If you haven't registered yet, please do so as described below. Once you have picked your username and password you can always come back to the site and log in directly.

Registration

Go to academy.zeiss.com/med and click on "Sign up." On the next page create your personal account by filling in the required information. Use "GoDigital" as your Customer ID.

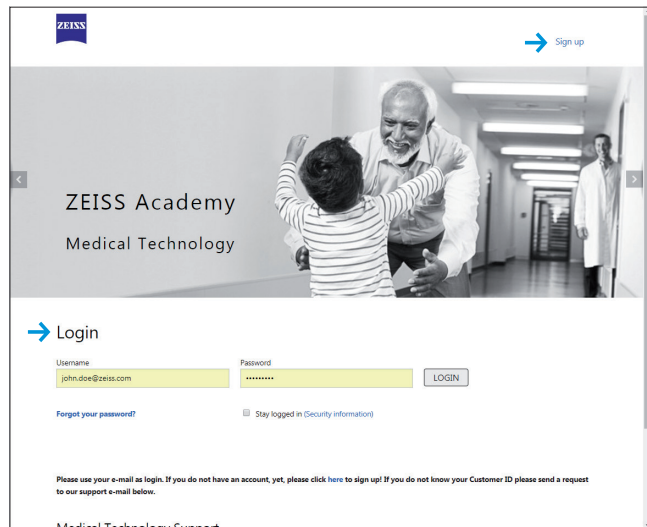

Login

Log in with your username and password. Your username is the e-mail address you provided when registering.

Forgot your password?

Click on "Forgot password" to request a new password. Check your inbox, and if necessary your SPAM folder, for a reply email from "learning@academy.zeiss.com". If you have any problems requesting a password, send an email to academy.med@zeiss.com.

If your registration was successful you will see the following welcome screen from where you can immediately access the learning resources. To open a course, just click on the link "Online course" and select the media you want to retrieve.
