

## TERMS AND CONDITIONS OF SALE

These *Terms and Conditions of Sale* ("**Terms and Conditions of Sale**") combined with the specific terms included on the accompanying product quote or on the attached pages issued by ZEISS ("**Quote**") constitute an agreement ("**Agreement**") with Carl Zeiss Meditec, Inc. ("**ZEISS**") in which the purchaser named on the Quote ("**Buyer**", "**You**", "**Your**") will purchase the product(s) described on the Quote ("**Products**"). In the event that the terms on the Quote specifically conflict with these Terms and Conditions of Sale, the terms of the Quote will supersede the conflicting terms contained in these Terms and Conditions of Sale. ZEISS's agreement to sell Products is conditioned on Buyer's assent to this Agreement and is limited to acceptance of this Agreement, and no specific condition or terms issued by the Buyer which may appear on the purchase order or on any document communicated by the Buyer, shall prevail over this Agreement. All such conditions and terms are objected to and rejected. Fulfillment of Buyer's order does not constitute acceptance of any of Buyer's terms and conditions and does not serve to modify or amend this Agreement. For the avoidance of doubt, the Buyer's general terms and conditions of purchase are expressly excluded.

1. **Prices and Taxes.** The Products and other items under this Agreement shall be sold and invoiced at ZEISS prices and charges in effect at the time of each shipment of Products under this Agreement unless otherwise specified by ZEISS in writing ("**Price(s)**"). ZEISS reserves the right to change or withdraw published ZEISS list prices without notice. All Prices are in U.S. dollars. The Price does not include applicable sales, excise, use, or other taxes in effect or later levied. ZEISS complies with all laws to collect applicable sales taxes and required by law to collect sales tax in all states. Except for those taxes attaching to ZEISS (e.g. income taxes), Buyer is responsible for payment of all taxes associated with its purchase of the Product(s), including (but not limited to) sales, use or excise taxes, VAT, duties, or property taxes, and Buyer agrees to indemnify and hold ZEISS harmless for any liability for such taxes, as well as the collection or withholding thereof, including penalties and interest thereon. For ZEISS to extend tax-exemption status to Buyer, Buyer must provide a tax-exemption certificate from the jurisdiction of the installation location prior to acceptance of the order.

2. **Trade-In Policy.** If Buyer's return of "trade-in" equipment ("**Trade-In(s)**") is part of the Price, Buyer warrants that Buyer owns the Trade-In(s) free of any liens, security interests or other encumbrances. Buyer must complete the de-installation of the Trade-In(s), including without limitation, removal of any data or other information on the Trade-In(s). ZEISS is not responsible for any Protected Health Information ("**PHI**") stored on or otherwise contained in any Trade-In and hereby disclaims all liability in connection with any PHI stored on or otherwise contained in any Trade-In. Trade-In(s) shall (i) be in the condition as noted on the Quote, (ii) include all hardware, software, components, and applicable license(s), and (iii) correspond to the model and serial number listed on the Quote. Buyer's completion of (i), (ii) and (iii) will make the initial Trade-In(s) process complete ("**Complete**"). Trade-In(s) are subject to ZEISS's inspection and acceptance. If Trade-In(s) are not delivered to ZEISS within sixty (60) days of delivery of the Products, are not Complete, or are otherwise unacceptable to ZEISS, ZEISS may recalculate the Price and Buyer agrees to pay ZEISS the adjusted Price. Buyer will bear the risk of loss for Trade-In(s) until they are delivered to and accepted by ZEISS or its carrier, and the terms contained in Section 5 below are applicable to Trade-In(s). If the Trade-In is accepted by ZEISS, ZEISS may immediately dispose of the Trade-In, and Buyer will have no right to a return of the Trade-In. If this Agreement is terminated, or the Products are returned to ZEISS, then Buyer agrees that Buyer will only receive a credit for the Trade-In(s) fair market value at the time of termination or return of the Products toward Buyer's next purchase of ZEISS product(s), and that Buyer will not receive a refund or reimbursement for any Trade-In.

3. **Terms and Method of Payment.** Unless stated otherwise on the Quote, payment in full will be due thirty (30) days from the date of invoice regardless of controversies relating to other Product deliveries or undelivered Products. Alternatively, ZEISS may require a deposit upon placement of the order, in which case the payment balance will be due on delivery (including applicable sales tax, cost of freight, insurance, etc.). Notwithstanding the foregoing, ZEISS reserves the right to require payment in full, in advance, or C.O.D., or otherwise modify credit terms either before or after acceptance of any order if for any reason Buyer's credit is or becomes objectionable to ZEISS. Pending correction of any objectionable credit situation, ZEISS may withhold shipments without incurring any liability to Buyer. All balances not paid when due shall be subject to a service charge equal to one-and-one-half percent (1½%) per month, or the highest rate permitted by law, whichever is less. Buyer shall make all payment hereunder in U.S. dollars.

4. **Credit Statement.** Buyer certifies that any information submitted pertaining to its credit worthiness is accurate. Buyer, its owners and/or principals, expressly authorize consumer reporting agencies and other persons to furnish credit information to ZEISS, separately or jointly with other creditors, for use in connection with this Agreement. ZEISS and joint users of such information are authorized to receive and exchange credit information and to update such information as appropriate for the express purpose of assessing Buyer's credit worthiness.

5. **Shipment; Risk of Loss; Date of Shipment.** All shipments will be made FCA ZEISS's shipping points. Absent specific agreement otherwise, ZEISS will select the carrier. Title and risk of loss to the Product(s) passes to the Buyer upon ZEISS's delivery to the designated carrier or delivery service. Buyer shall reimburse ZEISS for any insurance proceeds obtained covering losses associated with delivering the Product(s) to the carrier. If a shipment date is indicated on this Agreement, such date is only an estimated delivery date, and not a binding term of this Agreement. ZEISS will make commercially reasonable efforts to meet the delivery date. If ZEISS does not deliver the Products within sixty (60) days of the delivery date, then Buyer may terminate this Agreement, and neither Buyer nor ZEISS will have any further obligations. ZEISS may, in its sole discretion, without liability or penalty, make partial shipments of Products to Buyer. Each shipment will constitute a separate sale, and Buyer shall pay for the units shipped whether such shipment is in whole or partial fulfillment of Buyer's order.

6. **Acceptance.** Buyer will be deemed to have accepted the Products on the earliest of (i) delivery of the Products to the Buyer (if installation is not priced separately on the Quote), (ii) confirmation by ZEISS that the Products have been installed and conform to ZEISS's specifications and requirements for operation; or (iii) Buyer's use of the Products.

7. **Security Interest.** Until the Products are paid for in full, Buyer gives ZEISS a security interest in the Products, all monies received for the Products (including without limitation insurance proceeds), or in any chattel paper regarding the Products (e.g., lease agreements). At ZEISS's request, Buyer agrees to execute any documents, including a UCC-1 financing statement, which ZEISS may reasonably request to evidence ZEISS's title in the Product(s) and ZEISS may file a copy of such documents with the appropriate governmental authority.

8. **Return Policy.** Unless it has given its written consent, ZEISS will not accept any Product returns. If ZEISS consents to the return, Buyer may be charged a twenty percent (20%) restocking fee for all ZEISS-authorized Product(s) returns. Risk of loss, shipping and handling fees for returned Product(s) are Buyer's responsibility. Unless ZEISS agrees otherwise, returned Product(s) must be in new condition and contained in the original packaging. Consumables (as defined below in subsection 13.2), such as bulbs, lamps, fuses, fiber optic cables, etc., are not returnable.

9. Cancellation. Buyer's order can only be cancelled prior to shipment by written agreement of Buyer and ZEISS. If Buyer cancels Buyer's order, Buyer may be charged a twenty percent (20%) cancellation fee. If Buyer only cancels part of Buyer's order under this Agreement, ZEISS may in its sole discretion adjust the Price of the remaining Product(s) being purchased, which may mean that discounts offered on the original order will not be available.

10. Services. This Agreement only applies to the sale and purchase of goods. If the Quote contains provisions under which services are sold and purchased, the ZEISS Terms and Conditions of Service will apply to those services.

11. Training. ZEISS may provide training related to certain Product(s) at ZEISS's discretion. ZEISS will determine the form, duration and content of the training reference the Quote.

12. License for Use of Software; Disclaimer of Warranty. Provided that Buyer complies with the restrictions set forth herein, ZEISS hereby grants to Buyer a limited, non-exclusive, non-transferable license (without the right to sublicense) to: (a) use a single copy of the software incorporated in the Product (the "**Software**"), solely in conjunction with the applicable software package and for Buyer's own internal business operations on the Product on which the Software was first installed for production operation or, on a temporary basis, on a backup system if such equipment is inoperative, consistent with the limitations specified or referenced in this Agreement and the user guides for installation and use of the Software (including readme files, notice files, and installation details) or the hardware on which the Software operates ("**Documentation**"). If the Product on which the Buyer uses the Software is a multi-user system, this license covers all users on that single system; and (b) to use the Documentation provided with the Software in support of Buyer's authorized use of the Software. Buyer will not, and will not permit any third party to, copy or use the Software (including the Documentation) except as expressly permitted by this Agreement. In addition, Buyer will not, and will not permit any third party to (i) relicense, sublicense, rent or lease the Software or use the Software for rental, timesharing, subscription service, hosting or outsourcing, (ii) modify, reverse engineer (except to the extent expressly permitted by applicable law, and then only after Buyer has notified ZEISS in writing of Buyer's intended activities), disassemble or decompile the Software, including, but not limited to, review of data structures or similar materials produced by the Software, (iii) copy the Software, (iv) assign, give or transfer the Software to any third party except as expressly permitted in Section 19.1, (v) remove or modify any Software markings (or any markings from the hardware on which the Software operates), or any notice of ZEISS or any third party licensors' proprietary rights, (vi) publish the results of any benchmark tests performed on the Software or the hardware on which the Software operates, or (vii) use any source code that is provided with the Software. The Software is licensed, and not sold, to Buyer. ZEISS and its licensors retain ownership of the Software and reserve all rights not expressly granted to Buyer. Upon termination of this Agreement, Buyer will cease all use of the Software, return to ZEISS or destroy the Software and all Documentation and related materials in Buyer's possession, and so certify to ZEISS. Without limiting the generality of the foregoing, ZEISS has no obligation to indemnify or defend Buyer against claims related to infringement of intellectual property rights in connection with Buyer's use of the Software. ZEISS has the right, but not the obligation to supply corrective software updates or upgrades (i.e., new versions or new or in-line releases). Notwithstanding the foregoing, the Products sold under this Agreement may require the use of certain software code or materials owned by third parties that are licensed to Buyer under separate terms and conditions (such software, the "**Third Party Software**"). The Third Party Software is licensed separately and is not licensed to You under this Agreement. You may be presented with an End User Software License Agreement that includes terms related to Software, including Third Party Software, that You will need to accept before You use the Product (the "**End User License Agreement**"). To the extent that the terms and conditions of the End User License Agreement are inconsistent with or contrary to the terms and conditions of this Agreement, then the terms and conditions of the End User License Agreement will prevail and control, but solely with respect to the Software, including Third Party Software.

13. Limited Warranty and Disclaimer.

13.1 Limited Warranty. All parts are warranted to be free from defects in workmanship and materials (any Product containing a defect in workmanship or materials to be a "**Nonconforming Product**") for a period of one (1) year from date of shipment ("**Warranty Period**") when used in accordance with ZEISS's instructions for use and documentation (the "**Limited Warranty**"). This Limited Warranty is void outside of the U.S.A.

13.2 Product Warranty Exclusions. The Limited Warranty does not apply to Product damage or defects which ZEISS determines, upon inspection, are caused due to: (i) unauthorized use with another product; (ii) accident, abuse, misuse, liquid contact, fire, electrical failure, earthquake or other external cause beyond ZEISS's reasonable control; (iii) damage caused by operating the Product(s) outside ZEISS's (IFU or DFU) published guidelines; (iv) damage caused by service (including upgrades and expansions) performed by anyone who is not a representative of ZEISS or a ZEISS-authorized service provider; (v) modifications made without the written permission of ZEISS; (vi) defects caused by normal wear and tear or otherwise due to the normal aging of the Product(s), (vii) any removal of the serial number from the Product(s), (viii) unauthorized transportation from the initial installation location or environmental conditions outside of those prescribed in the Product specifications, or (ix) improper packaging or shipment. Consumables including but not limited to bulbs, flashtubes, lamps, filters, paper, printer ribbons, floppy disks, back-up media, user manuals, test chambers, test eyes and test fixtures (collectively, "**Consumables**") and items with a limited expected useful life are not subject to this limited warranty. On-site planned or preventive maintenance activities are not included as a part of this limited warranty.

13.3 Other Warranty Exclusions. Software is not covered by the Limited Warranty, and ZEISS does not warrant that the Products will operate uninterrupted or error-free. The Limited Warranty extends to Buyer only and not to persons manufacturing, purchasing or using Buyer's products. This warranty does not apply to any products not manufactured by ZEISS. These items, as well as any third-party supplied items (software or hardware), may be covered by their manufacturer's warranty and any arrangements for service or replacement of such items must be made through that manufacturer.

13.4 Limited Warranty Remedy. In the event of breach of the Limited Warranty, ZEISS will, at its sole discretion, repair or replace any parts that it reasonably determines to have failed due to defects in material or workmanship during the Warranty Period, free of any charge for either parts or labor, or if such attempts to repair or replace do not succeed in remedying the defect(s) in workmanship and/or materials, ZEISS may, at its sole option, refund the value of the Nonconforming Product. ZEISS shall not be liable for a breach of the warranty set forth in Section 13.1 unless Buyer gives written notice of the defect, reasonably described, to ZEISS within 10 business days of the time when Buyer discovers or ought to have discovered the defect.

13.5 DISCLAIMER OF WARRANTIES. TO THE EXTENT PERMITTED BY LAW, THE LIMITED WARRANTY AND THE REMEDIES SET FORTH IN THIS SECTION 13 ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, REMEDIES AND CONDITIONS, WHETHER ORAL, WRITTEN, STATUTORY, EXPRESS OR IMPLIED. ZEISS DISCLAIMS ALL WARRANTIES, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND WARRANTIES AGAINST HIDDEN OR LATENT DEFECTS AND INFRINGEMENT, TO THE EXTENT PERMITTED BY LAW. To the extent that such warranties cannot be disclaimed, ZEISS'S obligation to repair, replace, or at its sole discretion refund the value of defective parts shall be Buyer's only remedies and ZEISS's entire liability under this limited warranty. To the extent that any jurisdictions do not allow limitations on exclusion of or limitation of remedies, the foregoing limitations and exclusions may not apply to Buyer.

14 LIMITATION OF LIABILITY. NOTWITHSTANDING ANYTHING CONTAINED IN THIS OR ANY OTHER AGREEMENT BETWEEN ZEISS AND BUYER, NEITHER PARTY WILL BE LIABLE TO THE OTHER FOR ANY LOSS, DAMAGE, COST OF REPAIRS, LOSS OF DATA, OR INCIDENTAL, PUNITIVE, EXEMPLARY, INDIRECT, OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING (WITHOUT LIMITATION) LOSS OF PROFIT, REVENUES, OR BUSINESS OPPORTUNITY, ALL OF WHICH EACH PARTY EXPRESSLY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, EVEN IF EITHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND EVEN IF SUCH DAMAGES WERE FORESEEABLE, WHETHER OR NOT BASED UPON EXPRESS WARRANTY OR IMPLIED WARRANTY, CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHER CAUSE OF ACTION ARISING IN CONNECTION THIS AGREEMENT OR WITH THE DESIGN, MANUFACTURE, SALE, USE OR REPAIR OF THE PRODUCT(S), AND EVEN IF RECIPIENT'S REMEDIES FAIL OF THEIR ESSENTIAL PURPOSE. Some states do not allow the exclusion or

limitation of consequential or incidental damages, so the above limitation or exclusion may not apply. If applicable law limits the application of the provisions of this Section 14 ("Limitation of Liability"), ZEISS's liability will be limited to the maximum extent permissible.

15 Patent Indemnity. ZEISS will defend or settle any claim, suit or proceeding brought against Buyer based on allegations that the Product(s) infringe a third-party patent, provided that: Buyer timely notifies ZEISS of such claim, suit or proceeding; Buyer renders all reasonable cooperation to ZEISS; and Buyer gives ZEISS the sole authority to defend or settle the same. If the Product(s) are held to infringe any patent and the use of the Product(s) is enjoined, ZEISS will have the option, at its discretion (i) to procure Buyer the right to use the Product(s) or (ii) to modify the Product(s) so that they no longer infringe or (iii) upon the return of the Product(s), refund Buyer the then fair market value of the Product(s) and accept the return thereof. This indemnification will not apply to changes made by ZEISS at Buyer's instruction or by Buyer, or by the use of third-party items in conjunction with the Product(s) (unless sold or directed by ZEISS). In no event will ZEISS's total liability to Buyer with respect to any infringement or misappropriation exceed the depreciated value of the Product(s). Software is not covered by the indemnity in this Section 15.

16 Export/Re-Export. The Product(s) may be subject to United States Export Administration Regulations, and diversion contrary to U.S. law is prohibited.

17 Confidential Information. Each party ("**Receiving Party**") acknowledges that, in the course of the performance of this Agreement, it may learn certain confidential and proprietary information about the other party's ("**Disclosing Party**") business and operations including, but not limited to, products, marketing, distribution, technology, know-how, charges, pricing, intellectual property rights, software, tools, business information, or customer data, information or personal health information ("**Confidential Information**"). Receiving Party agrees that it will keep all Confidential Information strictly confidential, and that it will not use Confidential Information for any other purpose other than to exercise its rights and responsibilities under this Agreement, will not resell, transfer, or otherwise disclose such information to any third party without the Disclosing Party's specific, prior written consent. Receiving Party may disclose Confidential Information to employees, contractors and affiliates of Receiving Party that have a need to know, solely for the purpose of assisting Receiving Party to facilitate the transactions contemplated hereunder, and only subsequent to such persons having executed nondisclosure agreements with confidentiality obligations at least as restrictive as those contained herein. Receiving Party agrees that Disclosing Party is and shall remain the exclusive owner of Confidential Information disclosed hereunder and all patent, copyright, trade secret, trademark and other intellectual property rights therein. Receiving Party shall, upon the request of Disclosing Party, return to Disclosing Party or destroy all drawings, documents and other tangible manifestations of Confidential Information received by Receiving Party pursuant to this Agreement (and all copies and reproductions thereof). The obligations in this provision shall remain in effect following termination of this Agreement. Specifically excluded from this confidentiality obligation is all information that: (i) was in the Receiving Party's legitimate possession prior to receipt of such information from Disclosing Party; (ii) is independently developed by personnel of Receiving Party without any use of or reference to the Confidential Information; (iii) was rightfully received from third parties and, to the best knowledge of Receiving Party, without an obligation of confidentiality to Disclosing Party; (iv) is in the public domain through means other than by breach of this Agreement by Receiving Party; or (v) is disclosed pursuant to any judicial or government request, requirement or order, provided that the Receiving Party takes reasonable steps to provide the Disclosing Party the ability to contest such request, requirement or order. The parties acknowledge that Confidential Information has competitive value and that irreparable damage may result to the Disclosing Party if the Receiving Party discloses Confidential Information. The parties agree that legal proceedings at law or in equity, including without limitation injunctive relief, are appropriate in the event of a breach hereof without the duty of posting bond.

18 Termination.

18.1 Termination by ZEISS. In addition to any remedies or termination rights that may be provided under this Agreement, ZEISS may terminate this Agreement, with notice and thirty (30) days' opportunity to cure, or immediately if, in ZEISS's sole and reasonable opinion, no cure is practicable, if the Buyer refuses to or is unable to perform its obligations under this Agreement or is in breach of any material provision of this Agreement.

18.2 Effect of Termination. Sections 3 ("Terms and Method of Payment"), 7 ("Security Interest"), 14 ("Limitation of Liability"), 17 ("Confidentiality"), 18.2 ("Effect of Termination") and 19 ("Miscellaneous") shall survive any termination of this Agreement.

19 Miscellaneous.

19.1 Assignment. Buyer shall not assign or transfer any rights, duties or obligations under this Agreement, in full or in part by operation of law or otherwise, without ZEISS's prior written consent. ZEISS may freely assign this Agreement.

19.2 Waiver. The failure of either party to enforce any right or provision in this Agreement shall not constitute a waiver of such right or provision unless acknowledged and agreed to by the party in writing. If either party fails to exercise a right or insist on strict performance under this Agreement on one (1) occasion, that party will not be precluded from exercising that right, or insisting on performance of that obligation on any other occasion; nor will this Agreement be modified in any way by such failure to exercise a right or insist on strict performance under this Agreement.

19.3 Entire Agreement. This Agreement constitutes the final and complete agreement between the parties and supersedes all prior agreements and understandings, whether written or oral, relating to the purchase or sale of the Product(s). The terms and conditions of this Agreement shall prevail over any variance with the terms and conditions of any order submitted by the Buyer for the Product(s), regardless of any provisions to the contrary. No claimed additions to or modifications or amendments of this Agreement, nor any claimed waiver of any of its terms or conditions, shall be effective unless in writing and signed by the party against whom the same may be asserted.

19.4 Severability. If for any reason a court of competent jurisdiction finds any provision of this Agreement invalid or unenforceable, that provision of the Agreement will be enforced to the maximum extent permissible and the other provisions of this Agreement will remain in full force and effect.

19.5 Governing Law; Dispute Resolution. This Agreement will be interpreted under the substantive laws of the State of New York. The 1980 United Nations Convention on Contracts for the International Sale of Goods ("CISG") and any reference thereto are explicitly excluded. EACH PARTY HEREBY WAIVES ITS RIGHT TO A TRIAL BY JURY FOR DISPUTES ARISING OUT OF OR RELATED TO THIS AGREEMENT, INCLUDING WITHOUT LIMITATION COUNTERCLAIMS REGARDING SUCH DISPUTES, CLAIMS RELATED TO THE PARTIES' NEGOTIATIONS AND INDUCEMENTS TO ENTER INTO THIS AGREEMENT, AND OTHER CHALLENGES TO THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT. THE WAIVER IN THE PRECEDING SENTENCE APPLIES REGARDLESS OF THE TYPE OF DISPUTE, WHETHER PROCEEDING UNDER CLAIMS OF CONTRACT OR TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE) OR ANY OTHER THEORY.

19.6 Force Majeure. ZEISS will make commercially reasonable efforts to complete shipment, but shall not be liable for any loss or damage for delay in delivery, or any other failure to perform due to causes beyond the reasonable control of ZEISS, including but not limited to, fire, storm, flood, earthquake, explosion, accident, acts of a public enemy, war, rebellion, insurrection, sabotage, epidemic, quarantine restrictions, labor disputes, labor or material shortages, embargo, failure or delays in transportation, unavailability of components or parts for machinery used for manufacture of its Product(s), acts of God, acts of the federal or a foreign government or any agency thereof, acts of any state or local government or any agency thereof, and judicial action. Should such a delay or failure occur, ZEISS may reasonably extend delivery or, at its option, cancel the order in whole or part without any liability other than to return any unearned deposit or prepayment.

19.7 Discount Disclosure. All rebates and other discounts provided under this Agreement are intended to comply with the Anti-Kickback Statute, 42 U.S.C. § 1320a-7b(b). To the extent required by 42 C.F.R. § 1001.952(h) (the Anti-Kickback Statute safe harbor regulations) or other applicable

laws or regulations, the Buyer shall fully and accurately reflect in cost reports or other submissions to federal healthcare programs all discounts provided under this Agreement and, upon request by the Secretary of the U. S. Department of Health and Human Services or a state agency, shall make available information provided to the Buyer by ZEISS concerning the discounts.

19.8 Notice to United States Government End Users. The Software and related documentation delivered to U.S. Government end users are “commercial computer software” as defined in the Federal Acquisition Regulation (“FAR”). As such, use, duplication, disclosure, modification and adaptation of the Software and related documentation will be subject to the license and license restrictions set forth in this Agreement.

19.9 Notice to ZEISS. Buyer may contact ZEISS using the address information enclosed with the Product to contact the local ZEISS office serving Buyer’s country, or write to Customer Service, Carl Zeiss Meditec, Inc., 5160 Hacienda Drive, Dublin, CA 94568.
