

Event Information

February 26 | Workshop | ZEISS Microscopy Customer Center Europe

11.30 am Bus shuttle from station Aalen (bus leaves at gate 7 bus terminal) to ZEISS Microscopy Customer Center Europe

Noon **Welcome & Lunch**

1 pm **System Demonstrations Life Cell Imaging in 1 h sessions:**

- **Elyra 7** – Versatile Fast and Gentle 3D Superresolution
- **Elyra 7** – Application and Technology of the New Lattice Light Illumination
- **LSM 880 with Airyscan** – Fast and Gentle Confocal Imaging
- **CellDiscoverer 7** – Automated Live Cell Imaging
- **Lightsheet Z.1** – Multiview Imaging of Large Specimens with Light Sheet Fluorescence

6.45 pm Bus shuttle to Hotel Estilo

Optional: Get-together for dinner

February 27 | Pre-Program | ZEISS Forum

9 am Bus shuttle from Hotel Estilo to ZEISS Meditec

9.30 am **Optional: Factory Tour ZEISS Medical Solution Center**

Bus shuttle to ZEISS Forum

11 am **Visit ZEISS Museum of Optics | Relax & work at Coffee Lounge ZEISS Forum**

February 27 | Symposium | ZEISS Forum

Noon **Reception & Lunch**

1 pm **Welcome**

Dr. Markus Weber | President & CEO | ZEISS Research Microscopy Solutions

1.30 pm **Keynote Lecture**

**Visualizing Intracellular Organelle and Cytoskeletal Interactions
at Nanoscale Resolution on Millisecond Time Scales**

Prof. Dr. Eric Betzig | 2014 Nobel Prize Laureate

Professor of Molecular and Cell Biology, University of California at Berkeley | Eugene D. Commins Presidential Chair in Experimental Physics,
University of California at Berkeley | Investigator, Howard Hughes Medical Institute | Senior Fellow, Janelia Research Campus

2.30 pm **Superresolution Microscopy with Molecular Resolution**

Prof. Dr. Markus Sauer | Department of Biotechnology and Biophysics Biocenter | University of Wuerzburg, Germany

3.20 pm **Revealing the Fastest Processes in Superresolution**

Dr. Rebecca Elsässer | Business Sector Life Sciences | ZEISS Research Microscopy Solutions

4.05 pm **Coffee Break**

4.45 pm **Optional: Visit Customer Center ZEISS Vision Care**

Bus shuttle to Explorhino Science Center

7 pm **Evening Event at Explorhino Science Center**

Bus shuttle to suggested hotels
