ZEISS DTI Thermal Imaging Cameras

Rule the night.

The high-quality thermal imaging technology delivers detailed images for extremely reliable game identification. Thanks to the innovative ErgoControl operating concept, the ZEISS DTI fits perfectly in the hand for intuitive operation while in the dark or cold weather. The device opens up a completely new world of hunting and observation opportunities – so you can rule the night.

Real-World Benefits

- Heat signature range up to 1,350 yards
- Outstanding image quality
- Truly ambidextrous design
- Easy access and intuitive controls
- Pronounced controls for gloved hands
- Oval ocular for comfortable viewing and immediate target acquisition
- Up to 10-hours of run time
- Rechargeable integrated battery
- Auto-off
- Customizable LED control
- Contrast boost

Four Color Modes Available

DTI 3/25 and 3/35 Thermal Imaging Cameras

DTI 3/25, 384 x 288 resolution, 25 mm focal length, 17 micron pixel pitch, 50 Hz frame rate, 1.8x optical zoom with 4x digital zoom

DTI 3/35, 384 x 288 resolution, 35 mm focal length, 17 micron pixel pitch, 50 Hz frame rate, 2.5x optical zoom with 4x digital zoom

Dominate the competition.

With ZEISS LRP S5

First Focal Plane Riflescopes.

Premium Optical Design

Ensures clearest and brightest images.

Compact and Heavy-Duty

Offers German design, engineering, manufacturing, and craftsmanship – from the only brand with 175 years of optical authority: ZEISS.

Daylight Visible Illuminated Reticle

Confirms the exact point of aim in low light or harsh light shooting conditions.

Best-In-Class Total Elevation Travel

Provides 40.7 milliradian (MRAD) or 140 minutes of angle (MOA)

Side Parallax Adjustment

Adjusts for utmost accuracy and best image quality.

European-style Diopter Adjustment

Allows for quick focus adjustment.

zeiss.com/lrp-s5

Image above illustrates
LRP S5 525-56

These first focal plane riflescopes help you dominate the competition and win the match. The ZEISS LRP S5 318-50 and 525-56 models represent the pinnacle of precision riflescopes available today.

ZEISS Transferable Limited Lifetime Warranty and Transferable Five-Year No-Fault Policy

At ZEISS North America we back your Sports Optics purchase with a limited lifetime warranty as well as a 5-year no-fault policy – both fully transferable.

The warranty protects against defects in workmanship and materials in the Optical System for the life of the product, and in electronic components for five years from the date of purchase. Components (such as turrets) and accessories (such as lens caps) are warranted for one year from the date of purchase. If a ZEISS product has a defect covered by this warranty, we will either repair it, or replace it, with a new or reconditioned ZEISS product of comparable specifications. **Please note** that certain specialty products (such as stabilized binoculars and DTI thermal scopes) have shorter warranty periods.

ZEISS understands that accidents happen, so in addition to the limited lifetime warranty, we offer the added protection of our transferable Five-Year No-Fault Policy on **select Victory and Conquest products**. If you accidentally damage your product during normal and intended use within the first five years of the life of the product, we will either repair it, or replace it, at no cost to you.

To view the complete details of the Transferable ZEISS Limited Lifetime Warranty and Transferable Five-Year No-Fault Policy, please visit:
