Brigitte Koblizek

Employee representative on the Supervisory Board of Carl Zeiss Meditec AG

Full-time Deputy Chairwoman of the Works Council at the Oberkochen site

After initially training as a hairdresser, Brigitte Koblizek began working in the spectacle lens production department at Carl ZEISS in Nattheim in 1987. In 1989, she then moved to MED in Oberkochen where she initially worked in assembly. Later, she began a vocational training program as an industrial mechanic for machines and systems technology. From 2012 to 2014, she worked in incoming goods inspection before taking up a position in plant maintenance.

In the same year, she was elected to the Works Council. Due to her great commitment, she was made Deputy Chairwoman of the Works Council and Full-time Works Council Member last year.

Brigitte Koblizek was born in Neresheim in 1966 and has two daughters.
