

ZEISS Innovation Rocks

Connect to Productivity
with flexible & future-proof solutions

June 8 - 16, 2021

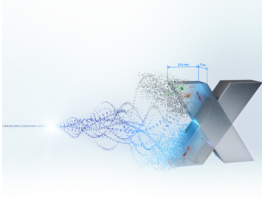

ZEISS Innovation Rocks 2021 „Spring Edition“ - 2 weeks of virtual events

Discover our latest innovations, application trends & best practices in edutaining shows, deep-dive webinars and product demos. Watch live or on demand to learn from other metrologists and ZEISS experts. Solve your challenges during Q&A sessions.

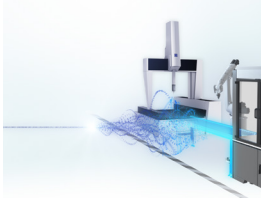

On each ZEISS Innovation Rock day you can watch a free launch show & expert talk, followed by the accompanying webinar. **Click on the QR-Code or scan it to get more information!**

Discover the new level of simplicity in CT technology
June 8, 2021

Unleash hidden efficiencies in manufacturing processes
June 9, 2021

Quality Assurance for Medical Standards
June 10, 2021

Make it happen with #HandsOnMetrology
June 15, 2021

Your digital access to all things metrology
June 16, 2021
