

# All-day comfort for today's busy eyes

## ZEISS SmartLife Lenses

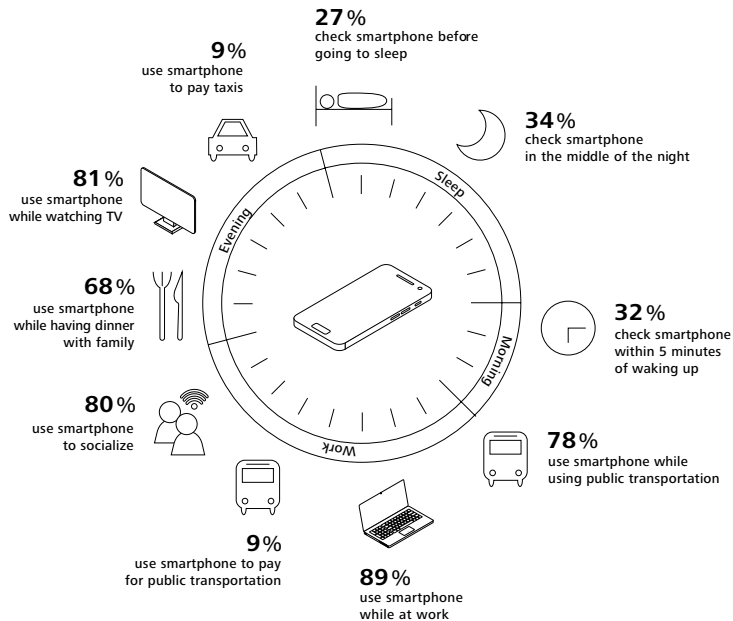

Our modern, on-the-move lifestyle can cause eyestrain. Designed for frequent gaze changes, ZEISS SmartLife lenses support all-day comfort.

Seeing beyond

# Smartphones have changed the way we use our eyes and increased the amount of strain we put on them.

## ZEISS SmartLife: the smart choice.

The ZEISS SmartLife Lens Portfolio caters to all connected, on-the-move eyeglass wearers, independent of age – providing clear, comfortable vision to keep up with modern life.
