

## Head-worn Loupes L and LC

For comfortable detail work

The ZEISS Head-worn Loupes L and LC are the ideal solution if a low magnification suffices for your work and you want to keep your hands free to perform the task at hand.

Both head-worn loupes allow stereoscopic vision with the magnifications 1.25x or 1.4x.

### Design of Head-worn Loupe L

Headband with exchangeable textile pad, vertically adjustable visor.

### Design of Head-worn Loupe LC

Universal loupe clip attachable to practically any pair of eyeglasses.

ZEISS is one of the world's leading manufacturers of spectacle lenses, and is committed to delivering maximum precision and comfort. ZEISS designs and produces lenses, instruments and measurement systems, as well as retail concepts and technology services that continue to raise the bar in vision care.
